Dear Parents/Carers,

We are writing to introduce **Year 6 Enterprise Week 2018**. The children of year 6 have been working hard to set up small enterprises and will be selling products or providing services for people across the school next week. The children have been introduced to the ideas in an assembly this afternoon so should know all of the information already.

We appreciate that this is a long, complicated list. As you can see, all prices are in multiples of 50p and we request that your child brings correct change to be brought for each activity.

Please use [this link](#) to select and give permission for the activities that your child will take part in during the week.

Completing this will ensure that we are aware of what each child would like to spend their money on when they bring it in every day. We also need parent/carer permission for children to take part in the activities.

Kind Regards,
Team 6
