

CLF Equality, Diversity and Inclusion Statement

Begbrook Primary Academy, part of the Cabot Learning Federation (CLF), recognises, and celebrates diversity, including that which exists within our pupil and staff populations and the communities we serve. We are committed to advancing equal opportunities for all and eliminating discrimination on any basis, including disability, ethnicity, gender, gender identity, age (except pupils), marriage and civil partnership, pregnancy and maternity, sexual orientation, and religion or belief (defined as Protected Characteristics) so that equality, diversity and inclusion (EDI) underpin all we do.

We recognise the following duties under the Equality Act 2010:-

- Eliminating discrimination, harassment, victimisation and other conduct that is prohibited by the Act;
- Advancing equality of opportunity between people who share a protected characteristic and people who do not share it ;
- Fostering good relations across characteristics - between people who share a protected characteristic and people who do not share it.

Regardless of the statutory responsibilities the CLF recognises the positive impact that a cohesive and inclusive EDI strategy can achieve. This includes but is not limited to

- a) Ensuring that all students maximise their potential regardless of their background or characteristics.
- b) Responding to the changing diversity of our students, communities or colleagues and the opportunities this presents.
- c) Addressing under representation within the work place and in particular within leadership positions. Broad representation is key to ensuring that both pupils and staff have positive role models to provide inspiration and ambition.
- d) Deliberately pursuing strategies to ensure fair and equal pay opportunities for different groups, including addressing the gender pay gap.
- e) Harnessing the power and leverage of leadership within the Academy
- f) Celebrating the opportunities created through EDI

At Begbrook Primary Academy we recognise that supporting a diverse organisation is a continuous process where long term and sustainable plans are key. We recognise that attracting, advancing, developing, engaging and retaining a diversity of talent is important; alongside delivering equity of opportunity for our pupils whilst fostering an inclusive culture

where differences are valued and enhanced. This is a continuous process where long term and sustainable plans are key.

Begbrook Primary Academy holds a long and deep commitment to welcoming diversity, examples of which are demonstrated on a day-to-day basis throughout the Academy. The culture of the academy has supported the aim to positively encourage EDI. Our specific diversity related achievements include:-

- Opportunities are within the curriculum to learn about cultural and religious customs and festivals.
- We share experiences through community and public performances.
- The curriculum teaches children through key concepts within local and global contexts and for example, as geographers or as people who are religiously conscious, or as historians, and this has ensured our children (aged 3- 11) have had regular opportunities to begin to understand their diverse world.
- We use whole school assemblies to deliver the values we share at Begbrook and how these are enacted at Begbrook regardless of protected characteristics.
- Our behaviour for learning policy and metacognitive approach is supportive of all learners.

The pursuit of the EDI agenda is a continuous process and our next objectives are:-

- Addressing the opportunity of staff representation to provide role models to children.
- To raise the attainment of pupils who are financially disadvantaged (pupil premium).
- To raise the attainment of boys.
- To raise the attainment of SEND pupils.
- To raise awareness of the protected characteristics within and beyond the school community through the curriculum.
