

Year 2 Homework

Handed out: Friday 4th May 2018

Handed in: Wednesday 9th May 2018

This week we enjoyed our African WOW day! We started the day with a reading comprehension task before making posters on what we already knew about Africa. We then added to these posters throughout the day so that we could see all of the new facts we had collected. Our focus this term has been art so during the day we created Akuaba doll scratch artwork, explored African patterns and engaged in some rock art. During the afternoon, we were lucky enough to have a drumming workshop with Ben. He brought in a selection of African drums that we had bought from Ghana and taught us some different rhythms. We loved it!

During our wow day, we looked at a traditional Ghanaian song called 'Che Che Koolay'. For your home learning this week, we would like you to find and learn a short song from another culture. You will have the opportunity to perform this during show and tell.

We can't wait to see them!

REQUEST:

We will be engaging in African art activities next week to prepare for our art gallery celebration. **Please can you bring in a kitchen roll tube for your child to take part in an art lesson on Tuesday.** If you have more than one at home then please bring them in so that we have some spares. Thank you 😊

There will be no spellings this week.
