

Year 4 Homework

Handed out: Friday 24th November

Handed in: Wednesday 29th November

In Music, we have been reading musical notation, keeping the pulse and layering with singing and rhythms to create group performances of Bob Marley's 'Three Little Birds'. We were pleased to see lots of children using their Ruby power and working well with others.

Maths

We have been learning about column methods for subtraction. Please complete the sheet attached to practise this skill.

Music

Find a song that you really like and get ready to talk to other people about it. What is it called and who is the artist? What genre is it? Which instruments are used and how does it make you feel?

Optional Maths challenge

enrich 'Twenty divided into six' problem
<https://nrich.maths.org/1047>

Times Tables

Please recap your **8 and 9 times tables**. Ask an adult to challenge you with quick-fire questions to develop your fluency and confidence.
