

Year 3 Home Learning

Handed out: 9th February

Handed in: MONDAY 19th February and Wednesday 26th February

After the February holidays our new book will be 'Charlotte's Web'.
At the beginning of the book a piglet is born who is very small and weak.

We would like you to discuss, with your parents at home, and make a list of reasons **for** killing the piglet and a list of reasons **for not** killing the piglet. We will then be using this to write a persuasive letter during the first week back. This needs to be brought into school on **Monday 19th February** as you will use this during the lesson.

We will also be writing a non-chronological report about spiders! Over the holidays, we would like you to use the internet, books, visit the library etc to find out as much information as you can about spiders! Bring this in on **Wednesday 26th February** ready to share. You may want to think about organising your notes under the following headings: Interesting facts, appearance, habitats, diet.

Remember to read every night with an adult and write it in your reading record!

Spellings

Spellings will be tested on a Friday. We are focussing on spelling some key Year 3/4 spellings. Please practise on the page provided using lots of different techniques like pyramid, criss-cross and wiggly line spelling. Try and practise every day.

These spellings will be tested on **Friday 23rd February**

- Sentence
- Separate
- Special
- Straight
- Strange
- Strength
