

# Year 4 Homework

Handed out: Friday 9<sup>th</sup> February

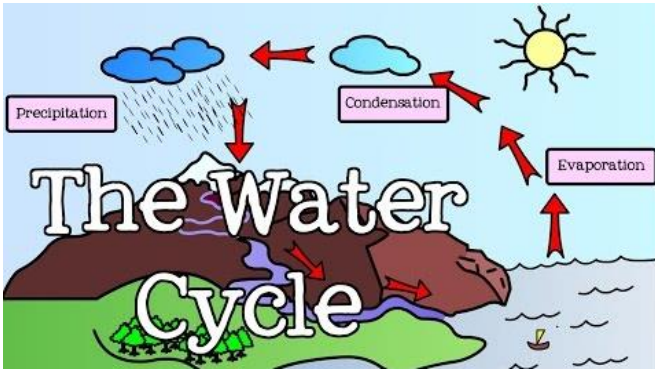

Handed in: Wednesday 21<sup>st</sup> February

This week we have written stories about a lighthouse keeper. We have used a variety of different writing techniques to improve our descriptive skills. We have been really impressed by the improvement in vocabulary used by all the children and their ability to use a thesaurus to up-level word choices.

**Reading Challenge:** Can you get an adult to sign your reading record every day over the half term?

## Science

Complete the crossword attached to demonstrate your knowledge of states of matter and the water cycle.

## Times Tables

Please recap **all your timestables** over the half term. Ask an adult to challenge you with quick-fire questions to develop your fluency and confidence.

Practise your mental division, using your knowledge of multiplication, e.g. If I know that  $3 \times 7 = 21$ , I also know that  $21 \div 7 = 3$

**Remember by the end of Year 4 you need to know all of these!**

## Spellings

surprise

therefore

though

although

thought

Think of some sentences that use these words and write them below. Remember to use the spelling strategies that we have taught you to practise these words – look at the shape, have a go, count the syllables, picture words, vowel detective and Look, say, cover, write, check.
